

# a new tool...

FROM THE IDEA BANK'S AWARD-WINNING SERIES

**T**his new "plan-of-action" tool will show you how to create, manage and update a successful juvenile firesetter intervention program in your community.

The graphics-rich CD-ROM combines video and audio clips, animation, interactive interviews with leading experts plus the best community program ideas available.

Best of all, **the CD-ROM is continuously updated from The Idea Bank's Web site!** It's an interactive tool designed to help you stay informed and connected.

*In the next 24 hours, more than 700 arson fires will be set in the United States by people under the age of eighteen.*
